

# Section 1115 Health-Related Social Needs (HRSN) Services Approved for AZ, AR, MA, and OR

In all 4 states, HRSN services must be determined medically appropriate for the individual, based on clinical and social risk factors. See [SDOH table](#) of KFF’s waiver tracker.

State Waiver	Population Focus	Housing Supports	Nutrition Supports	Other Supports
<b>Arizona Health Care Cost Containment System</b>	Enrollees who are homeless or at risk of becoming homeless; who meet at least one specified clinical and social risk criteria	<ul style="list-style-type: none"> <li>• Post-transition rent/temporary housing (up to 6 months)</li> <li>• Utility costs</li> <li>• Pre-tenancy and tenancy sustaining services</li> <li>• Housing transition navigation services</li> <li>• One-time transition and moving costs</li> <li>• Housing deposits</li> <li>• Medically necessary home accessibility modifications and remediation services</li> </ul>	None	<ul style="list-style-type: none"> <li>• Case management, outreach, and education, including linkages to other state and federal benefit programs, benefit program application assistance, and benefit program application fees</li> </ul>
<b>Arkansas Health and Opportunity for Me (ARHOME)</b>	HRSN services are available to beneficiaries participating in a Life360 HOME, which are based out of eligible hospitals. Eligibility varies by type of HOME and includes individuals with SMI or SUD diagnosis who live in rural areas (Rural Life360 HOME), individuals with high-risk pregnancies and up to 2 years postpartum (Maternal Life360 HOME), and young adults at high-risk for long-term poverty (Success Life360 HOME)	<ul style="list-style-type: none"> <li>• Pre-tenancy and tenancy sustaining services</li> <li>• Housing transition navigation services</li> <li>• One-time transition and moving costs</li> <li>• Housing deposits</li> </ul>	<ul style="list-style-type: none"> <li>• Nutrition counseling and education, including health meal preparation</li> </ul>	<ul style="list-style-type: none"> <li>• Case management, outreach, and education, including linkages to other state and federal benefit programs, benefit program application assistance, and benefit program application fees</li> </ul>
<b>Massachusetts MassHealth</b>	HRSN services will be available to populations who participate in the Flexible Services Program (ACO-enrolled members age 0-64 who meet at least one health needs-based criteria and one risk factor) or in a Specialized Community Supports Program (members who meet criteria related to behavioral health needs and are either: experiencing homelessness, justice-involved and living in the community, or are facing eviction as a result of behavior related to their behavioral health condition). Varying HRSN services are available for each program.	<ul style="list-style-type: none"> <li>• Pre-tenancy and tenancy sustaining services</li> <li>• Housing transition navigation services</li> <li>• One-time transition and moving costs</li> <li>• Housing deposits</li> <li>• Medically necessary devices to maintain healthy temperatures and clean air</li> <li>• Medically necessary home accessibility modifications</li> </ul>	<ul style="list-style-type: none"> <li>• Nutrition counseling and education</li> <li>• Meals delivered to the home (for up to 6 months)</li> <li>• Medically-tailored food prescriptions (for up to 6 months)</li> <li>• Cooking supplies</li> </ul>	<ul style="list-style-type: none"> <li>• Case management, outreach, and education, including linkages to other state and federal benefit programs, benefit program application assistance, and benefit program application fees</li> <li>• Transportation to HRSN services for tenancy supports and nutrition supports</li> </ul>
<b>Oregon Health Plan</b>	Populations eligible for HRSN services are experiencing major life transitions. These include: youth with special health care needs (YSHCN); adults and youth discharged from IMDs; adults and youth released from incarceration; youth involved in child welfare system; individuals transitioning from Medicaid-only to dual eligibility status; individuals who are homeless or at risk of becoming homeless; and individuals with high-risk clinical needs residing in regions experiencing extreme weather events.	<ul style="list-style-type: none"> <li>• Post-transition rent/temporary housing (up to 6 months)</li> <li>• Utility costs</li> <li>• Pre-tenancy and tenancy sustaining services</li> <li>• Housing transition navigation services</li> <li>• One-time transition and moving costs</li> <li>• Housing deposits</li> <li>• Medically necessary devices to maintain healthy temperatures and clean air</li> <li>• Medically necessary home accessibility modifications</li> </ul>	<ul style="list-style-type: none"> <li>• Nutrition counseling and education</li> <li>• Medically-tailored meals (for up to 6 months)</li> <li>• Fruit and vegetable prescriptions (for up to 6 months)</li> <li>• Meal or pantry stocking</li> </ul>	<ul style="list-style-type: none"> <li>• Case management, outreach, and education, including linkages to other state and federal benefit programs, benefit program application assistance, and benefit program application fees</li> </ul>
